## 1) Welcome and Introductions

1.1 Andrew welcomed Jesse Norman to his first meeting of the CLC.

1.2 Jesse Norman provided an overview of emerging thoughts and direction of the Industrial Strategy

1.3 CLC members were encouraged to respond on behalf of their companies as well as the CLC.

1.4 The remainder of the meeting was operational and concerned the 23 November event.

## 2) 23<sup>rd</sup> November Leaders Briefing

2.1 A quick précis of the leaders briefing session was given.

2.2 Success will be measured by the clarity of the message the CLC gets across; positioning of the nature of the challenge to industry colleagues; connection of the work being done, how it blends together and how that responds to their businesses and their future.

### **3) Any Other Business**

3.1 The next CLC meeting date:

- Thursday 19 January 2017, 14:00–16:30, BEIS Conference Centre.
