The Sustainable Building Training summit

BEIS Conference Centre, London

6th December 2017

EVENT OBJECTIVES

The event aims to:

- Provide strategic guidance and support to leaders in construction education on the direction of travel, and employer's real-world needs from apprentices, graduates and existing professionals
- Demonstrate the need for change in educational provision, and to provide advice and support in making that transition
- Establish what further support providers would most benefit from to help them make a transition

Who should attend?

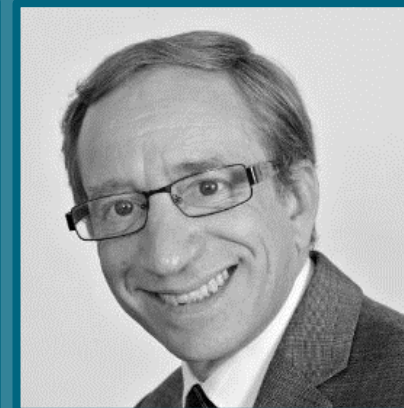

- Heads of Construction Schools
- Higher Education Management
- College Leadership
- Apprenticeship Providers
- Industry L&D Leaders
- Awarding Bodies
- Professional Bodies

AGENDA

Time	Agenda
1100	<p>Session One Modern Construction: Why Change? Sustainability, BIM and modern methods are not new terms – but are they all hype? Should training providers really take the agenda seriously? What are the risks to UK plc if they don't?</p> <ul style="list-style-type: none">• <i>Keynote:</i> Mark Farmer, Author of the 'Modernise or Die' Report• Lynne Sullivan OBE, Architect and RIBA Ambassador on Climate Change 2015-2017• Bruce Boughton, People Development Manager at Lovell Partnerships Ltd, Member of the 14-19 Standards Group <p>Discussion</p>
1230	Lunch
1315	<p>Session Two Evidence, Guidance and Support</p> <p>What have some training providers already done to build sustainability in? <i>Further Education:</i> Wyn Prichard, Director of Construction Skills and Business Strategy, NPTC Group <i>Higher Education:</i> Alex Maclaren, Senior Director of Studies for Architectural Engineering, Heriot-Watt University</p> <p>What support is available to providers wanting to make appropriate change? Rob Lambe, Chair of the CLC Skills and Knowledge Working Group</p> <p>Discussion</p>
1430	Close
