

Construction Leadership Council Young Ambassadors Role Description

Background

The CLC is pleased today, as part of its desire to increase engagement with young professionals across the sector, to launch a recruitment competition to select four young ambassadors (one for each of our priority workstreams-below):

1. Building Safety
2. Net Zero and Biodiversity
3. People and Skills
4. Next Generation Delivery

Role Description

Each Young Ambassador will be expected to:

- Input into and influence CLC policy development, independently delivering specific projects (we don't expect this to be significantly onerous)
- Develop a close working relationship with the relevant workstream lead, providing policy challenge as appropriate. The exact ways of working will need to be agreed between the successful candidate and the workstream lead
- Communicate to a wider audience thorough their established social media and professional body networks
- Bring the voice of young professionals to the heart of delivering CLC's priorities
- Support CLC's succession planning, promoting the sector as a career opportunity
- Champion the relevant workstream's work through their company as appropriate
- Attend key meetings as agreed with the workstream lead

Please visit [here](#) to find out further details of the four priorities. The CLC's Vision and Priorities document is [here](#) and the video of its launch [here](#).

Appointment Process

Prospective applicants are asked to submit their CV and a covering letter (maximum 500 words) setting out their relevant skills and experience, together with which role they are applying for, to Construction.Enquiries@beis.gov.uk by close Monday 09 January 2023. Your application will be assessed by CLC/BEIS officials.

Timeline:

- 01st December: Applications open
- Close 09th Jan: Deadline for applications
- End Jan: Interviews with short-listed applicants
- Early Feb: Successful candidates informed
- End Feb: Successful candidates publicly announced.

Additional Details

These roles are unpaid with appointments for a fixed-term basis of one year.

The time commitment for each role will be around 3 hours per month (combination of meetings/reading papers).

Each Ambassador will receive full support from BEIS and the Industry workstream lead.

If you have any further questions on the roles, please contact Stuart Young (Stuart.Young@beis.gov.uk)
